

**TAX TREATY STATEMENT FOR TEACHERS AND RESEARCHERS**

**Germany**

- 1. I am a resident of Germany. I am not a U.S. citizen. I have not been lawfully accorded the privilege of residing permanently in the United States as an immigrant.
- 2. I am a professor or teacher visiting the United States for the purpose of advanced study, teaching, or research at \_\_\_\_\_ *[insert the name of the accredited university, college, school, or other educational institution, or a public research institution or other institution engaged in research for the public benefit]*. I will receive compensation for my teaching, research, or study activities.
- 3. The compensation received during the entire tax year (or during the period from \_\_\_\_\_ to \_\_\_\_\_ ) for these activities qualifies for exemption from withholding of federal tax under the tax treaty between the United States and Germany. I have not previously claimed an income tax exemption under that treaty for income received as a student, apprentice, or trainee during the immediately preceding period. (If, however, following the period in which the alien claimed benefits as a student, apprentice, or trainee, that person returned to Germany and resumed residence and physical presence before returning to the United States as a teacher or researcher, that person may claim the benefits of this treaty.)
- 4. Any research I perform will be undertaken in the public interest and not primarily for the private benefit of a specific person or persons.
- 5. I arrived in the United States on \_\_\_\_\_ *[insert the date of your last arrival into the United States before beginning the services for which the exemption is claimed]*. The treaty exemption is available only for compensation paid during a period of two years beginning on that date.
