

RCUH SuperQUOTE Buyer Profile

The Research Corporation of the University of Hawai'i (RCUH), in partnership with CommercePoint, Inc., is launching a new RCUH Buyer Profile for SuperQUOTE users. The new RCUH Buyer profile will allow users that are processing transactions through RCUH, to post their solicitations through the RCUH Buyer profile, rather than UH's Buyer profile.

Both new users, and users who already have an existing UH Buyer account, can sign up for an RCUH Buyer account. Click [here](#) for registration instructions.
