Additional Features

This insurance offering from your employer and MetLife comes with additional features that can provide assistance to you and your family.

Accelerated Benefits Option⁹

For access to funds during a difficult time

If you become terminally ill and are diagnosed with 12 months or less to live, you have the option to receive up to 80% of your life insurance proceeds. This can help your family meet medical and other expenses at a difficult time. Amounts not accelerated will continue under your employer's plan for as long as you remain eligible per the certificate requirements and as long as the group policy remains in effect.

The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable tax treatment under Section 101(g) of the Internal Revenue Code (26 U.S.C. Sec 101(g)).⁹

Accelerated Benefits Option is not the same as long term care insurance (LTC).

Conversion

For protection after your coverage terminates

You can generally convert your group term life insurance benefits to an individual whole life insurance policy if your coverage terminates in whole or in part due to your retirement, termination of employment, or change in employee class. Conversion is available on all group life insurance coverages. If you experience an event that makes you eligible to convert your coverage, please call 1-877-275-6387 to begin the conversion process. Please contact your plan administrator for more information.

Waiver of Premiums for Total Disability (Continued Protection)

Offering continued coverage when you need it most

If you become Totally Disabled, you may qualify to continue certain insurance. You may also be eligible for waiver of your basic term life insurance premium until you reach age 65, die, or recover from your disability, whichever is sooner.

Total Disability or Totally Disabled means you are unable to do your job and any other job for which you are fit by education, training or experience due to injury or sickness. The Total Disability must begin before age 60, and your waiver will begin after you have satisfied a 6-month waiting period of continuous disability. The waiver of premium will end when you turn age 65, die, or recover.

If you return to work after completing part or all of the 6-month waiting period and later cease active work due to the same or a related Total Disability while your coverage is being continued, you will be given credit for the prior partial or total completion of the waiting period and it will be considered a continuation of the original Total Disability. This means that if you completed the waiting period of continuous disability in the original period of disability, you will not need to complete another one.

- You must notify MetLife of the later period of cessation of active work within 12 months of when that period began.
- The amount of insurance being continued will be the same as during the original period of disability, subject to any reductions in coverage amount due to age.
