

This summary is a brief description of a Hawaii Dental Service (HDS) member's dental benefits. Some limitations, restrictions, and exclusions may apply. Plan benefits are governed by the provisions detailed in the group's and/or subscriber's agreement with HDS, HDS's Procedure Code Guidelines and Delta Dental National Policies when applicable. Certain provisions may vary across group agreements such as waiting periods, frequency and age limitations, etc. and may not be included in this summary. For additional information, please contact HDS Customer Service. As an HDS member, you may visit any licensed dentist, but your out-of-pocket costs may be lower when visiting an HDS participating dentist. All dental claims must be filed within 12 months of the date of service to be eligible for HDS claims payment.

PLAN MAXIMUM The most HDS will pay for each person for all covered dental services performed during the calendar year.
