

STUDENT ASSISTANT HOURLY PAY SCHEDULE

Revised 10/01/2022

Pay Grade -Step	Effective 10/1/2022	Effective 1/1/2024	Effective 1/1/2026	Effective 1/1/2028	Description (General guideline for determining pay classifications of Student Assistants):
Student Assistant A1					
A1-1	\$12.50	\$14.50	\$16.50	\$18.50	The student is expected to perform routine tasks, which require no specialized experience or knowledge. Duties assigned can be mastered with minimal instruction or demonstration. As experience is gained, the student may be expected to accomplish more varied tasks. The student is normally under direct supervision and has no supervisory responsibility. Examples of duties are filing, shelving books, typing rough drafts from notes or making entries on card files (not expected to type finished correspondence, etc.), washing laboratory glassware, and manual tasks involving light physical effort.
A1-2	\$12.85	\$14.90	\$17.00	\$19.05	
A1-3	\$13.15	\$15.25	\$17.40	\$19.50	
A1-4	\$13.45	\$15.60	\$17.80	\$19.95	
Student Assistant A2					
A2-1	\$13.75	\$15.95	\$18.20	\$20.40	The student is expected to perform a variety of tasks, which require some knowledge of rules, procedures and policies, or have completed introductory level course work. Tasks are performed in accordance with established procedures. In many instances, the student has progressed from a Student Assistant A1 having gained knowledge and skills within the operation. The student may supervise Student Assistant A1s. Examples of duties are finished typing according to prescribed format, reviewing documents or papers for accuracy and completeness, simple programming under supervision, library research requiring student to summarize materials, and situations requiring similar judgmental processes. This class includes positions requiring manual skills and arduous physical work.
A2-2	\$14.10	\$16.35	\$18.65	\$20.90	
A2-3	\$14.50	\$16.80	\$19.15	\$21.45	
A2-4	\$14.85	\$17.25	\$19.65	\$22.00	
Student Assistant A3					
A3-1	\$15.40	\$17.85	\$20.35	\$22.80	The student is expected to perform a variety of tasks that have some responsibility, requiring a special skill or knowledge, or have taken intermediate level course work. Tasks are normally performed with minimum supervision and may have some supervisory and training responsibility. Included in this class are routine programming, laboratory work involving research and testing, research work involving interpretation of materials, advance word processing, and other technical work involving initiative and independent action. A student may temporarily be assigned to this class when substituting for clerical civil service personnel who are on leave.
A3-2	\$15.90	\$18.45	\$21.05	\$23.60	
A3-3	\$16.60	\$19.25	\$21.95	\$24.60	
A3-4	\$17.20	\$19.95	\$22.75	\$25.50	
Student Assistant A4					
A4-1	\$17.60	\$20.40	\$23.25	\$26.05	The student normally will have completed advanced level course work or have an undergraduate degree and perform tasks that require highly specialized skill or knowledge under minimal supervision. Tasks performed would normally be the type of tasks performed by BOR appointees or intermediate grade civil service positions, i.e., SR-13 or above. Included in this class are research requiring analysis of data, long term management of an office in the absence of a full-time supervisor, training and supervision of several individuals, computer related work requiring substantial knowledge of a programming language or technical software, other work requiring the student to use independent judgment in decision making.
A4-2	\$18.20	\$21.10	\$24.05	\$26.95	
A4-3	\$18.90	\$21.90	\$25.00	\$28.00	
A4-4	\$19.50	\$22.60	\$25.75	\$28.85	

STUDENT ASSISTANT HOURLY PAY SCHEDULE

Revised 10/01/2022

Pay Grade -Step	<u>Effective 10/1/2022</u>	<u>Effective 1/1/2024</u>	<u>Effective 1/1/2026</u>	<u>Effective 1/1/2028</u>	<u>Description (General guideline for determining pay classifications of Student Assistants):</u>
Student Assistant A5					
A5-1	\$20.50	\$23.80	\$27.15	\$30.40	The student is required to perform highly specialized tasks requiring specialized skills and/or knowledge. Students will normally have completed an undergraduate degree and perform tasks independently. These are generally situations which may require special recruiting to obtain the talent needed. Included in this class are research requiring final reporting, training and supervision of a substantial staff, highly technical programming, and other work requiring the student to make decisions which would be binding on a unit or requiring initiative. Such cases are normally expected to involve work which is closely related to the student's academic program.
A5-2	\$21.35	\$24.80	\$28.30	\$31.70	
A5-3	\$22.25	\$25.80	\$29.40	\$32.95	
A5-4	\$23.15	\$26.85	\$30.60	\$35.25	
Student Assistant A6					
A6-1	\$28.00	\$32.50	\$37.05	\$41.50	This classification is reserved for graduate students performing duties normally assigned to a Graduate Assistant (Research Assistant or Teaching Assistant) or an intermediate level Board of Regent appointee. Students are expected to have substantial responsibility for course, program, project or departmental decisions. Students in this category would usually have completed an undergraduate degree and be near completion of a Master's degree or possess skills that would demand this level of compensation in the general market. Duties are performed independently and may supervise others.
A6-2	\$29.45	\$34.15	\$39.00	\$43.70	
A6-3	\$31.00	\$36.00	\$41.05	\$46.00	
A6-4	\$32.60	\$37.80	\$43.10	\$48.30	
Student Assistant A7					
A7-1	\$34.05	\$39.50	\$45.05	\$50.45	This classification is reserved for higher-level graduate students performing duties normally assigned to a Graduate Assistant (Research Assistant or Teaching Assistant), a junior faculty member or an intermediate level Board of Regent appointee. Students on this level must possess highly specialized skills not normally found in university students. Included in this class are research that requires student to do highly skilled analysis and writing of a publishable nature, computer programming that requires the knowledge of several languages or technical software, or possess skills that would demand this level compensation in the local market. They would be performing duties independently and may supervise others. In order to obtain this pay level, hiring department must be able to provide some evidence of comparative market wages.
A7-2	\$36.75	\$42.65	\$48.60	\$54.45	
A7-3	\$39.55	\$45.90	\$52.35	\$58.65	
A7-4	\$42.30	\$49.10	\$56.00	\$62.75
