PLAN HIGHLIGHTS

Login at: my.nbsbenefits.com

Congratulations! Research Corporation of the University of Hawaii (RCUH) has established a "Flexible Benefits Plan" to help you pay for your out-of-pocket medical expenses. One of the most important features of the Plan is that the benefits being offered are paid for with a portion of your pay before Federal income or Social Security taxes are withheld. This means that you will pay less tax and have more money to spend and save. However, if you receive a reimbursement for an expense under the Plan, you cannot claim a Federal income tax credit or deduction on your return.

DETERMINING CONTRIBUTIONS

Before each Plan Year begins, you will select the benefits you want and how much of the contributions should go toward each benefit. It is very important that you make these choices carefully based on what you expect to spend on each covered benefit or expense during the Plan Year.

Generally, you cannot change the elections you have made after the beginning of the Plan Year. However, there are certain limited situations when you can change your elections if you have a "change in status". Please refer to your Summary Plan Description for a change in status listing.

Run-out Period:.....90 Days

WHEN AM I ELIGIBLE TO PARTICIPATE

If you work 20 hours or more each week for the company, you will be eligible to join the Plan following your date of employment.

You will enter the Plan on the first day of the month following the day in which you meet the above eligibility requirements.

WHAT TYPE OF BENEFITS ARE AVAILABLE

Under our Plan, you can choose the following benefits. Each benefit allows you to save taxes at the same time because the amount you elect is set aside on a pre-tax basis.

Health Flexible Spending Account:

The Health Flexible Spending Account (FSA) enables you to pay for expenses allowed under Section 105 and 213(d) of the Internal Revenue Code which are not covered by our insured medical plan. The most that you can contribute to your Health FSA each Plan Year is set by the IRS. This amount can be adjusted for increases in cost-of-living in accordance with Code Section 125(i)(2).

Dependent Care Flexible Spending Account:

The Dependent Care Flexible Spending Account (DCAP) enables you to pay for out-of-pocket, work-related dependent day-care cost. Please see the Summary Plan Description for the definition of eligible dependent. The law places limits on the amount of money that can be paid to you in a calendar year. Generally, your reimbursement may not exceed the lesser of: (a) \$5,000 (if you are married filing a joint return or you are head of a household) or \$2,500 (if you are married filing separate returns; (b) your taxable compensation; (c) your spouse's actual or deemed earned income. Also, in order to have the reimbursements made to you and be excluded from your income, you must provide a statement from the service provider including the name, address, and in most cases, the taxpayer identification number of the service provider, as well as the amount of such expense and proof that the expense has been incurred.

Premium Expense Plan:

A Premium Expense portion of the Plan allows you to use pre-tax dollars to pay for specific premiums under various insurance programs that we offer you.

Please note: Policies other than company sponsored policies (i.e. spouse's or dependents' individual policies etc.) may not be paid through the Flexible Benefits Plan. Furthermore, qualified long-term care insurance plans may not be paid through the Flexible Benefits Plan.

Flexible Benefits Plan Highlights Continued

HOW DO I RECEIVE REIMBURSEMENTS

During the course of the Plan Year, you may submit requests for reimbursement of expenses you have incurred. Expenses are considered "incurred" when the service is performed, not necessarily when it is paid for. You can get a claim form at www.NBSbenefits.com.

Claim forms must be submitted no later than 90 days after the end of the Plan Year for the Health Flexible Spending Account and the Dependent Care Flexible Spending Account. Any contributions remaining at the end of the Plan Year will be forfeited.

NBS Flexcard – FSA Pre-paid MasterCard

Your employer may sponsor the use of the NBS Flexcard, making access to your flex dollars easier than ever. You may use the card to pay merchants or service providers that accept credit cards, so there is no need to pay cash up front then wait for reimbursement.

WHO ARE HIGHLY COMPENSATED & KEY EMPLOYEES

Under the Internal Revenue Code, "highly compensated employees" and "key employees" generally are Participants who are officers, shareholders or highly paid.

If you are within these categories, the amount of contributions and benefits for you may be limited so that the Plan as a whole does not unfairly favor those who are highly paid, their spouses or their dependents. Please refer to your Summary Plan Description for more information. You will be notified of these limitations if you are affected.
